MEET THE AUTHOR

Josey Stafford

Hey there you.

I'm an event planner, based in the Twin Cities with a certain proclivity for weddings. My clients are looking for a stress free engagement and a wedding filled with laughter and awkward hand gestures.

And I want my clients to pick their vendors based on relationships, which is why I want to introduce you to them, and all the other brides and grooms that aren't my clients, too.

We'll chat, I'll type, a few hours of editing and voilà! A blog post featuring you and your business.

Vendor, meet clients.
